2024

A large, stylized golden flower or leaf design, symmetrical and glowing, with the year 2024 centered in the middle. The design consists of multiple layers of curved, leaf-like shapes that radiate from a central point, creating a sense of depth and movement. The golden color is bright and reflective, set against a dark background. The year 2024 is prominently displayed in the center of the design, within a dark rectangular area.
